

Migrant Systems Change Leadership Certificate

Fall 2025

In-person and online sessions
Free certificate program

**For racialized migrants, newcomers,
or refugees who live in BC**

Let's work together to deepen our understanding of systemic issues affecting migrant and refugee communities!

This program will help us gain an understanding of how rules, norms, relationships, and ways of thinking can create long-term, meaningful change. We will explore concepts such as equity, power, racial justice, Indigenous rights, decolonization, solidarity, and collective liberation.
